

# U.S. Bank Focus Card text & email alerts

## FEATURE OVERVIEW

### Monitor your Focus Card account anytime, anywhere.

Enroll in text<sup>1</sup> and email alerts and receive notifications when money is added or when your card balance gets low. To learn more, log into your account at [usbankfocus.com](https://usbankfocus.com).

**Enroll in two-way text alerts** and text a short code to receive account updates. After you sign up, text the following codes to **90831**:

**BAL** – Balance alert

**DD** – Direct deposit routing & account numbers

**TRANS** – Recent transactions

**HELP** – Customer service number

**SAVE** – Savings balance

**Sign up to receive email alerts** about your card account along with the features and benefits of your card. The most common transactional alerts are:

#### **Purchase alert**

When you make a point-of-sale (POS) transaction, includes your new available balance.

#### **Load alert**

When funds are loaded to the card, includes your new available balance.

#### **Low balance alert**

When your available balance on the card falls below a set minimum.

To enroll in text and email alerts, login to [usbankfocus.com](https://usbankfocus.com) or scan the QR code to download the U.S. Bank Mobile App.

<sup>1</sup>For text messages, standard messaging charges apply through your mobile carrier and message frequency depends on account settings.
