

Health Reimbursement Arrangement

LivingWell Consumer Driven Health Plan (CDHP)

Free money? Yes, please!

HRA requires no payroll deductions and you don't need to contribute any money. Select the LivingWell CDHP and receive a funded HRA. Plus, all reimbursements for eligible medical expenses are tax-free too.

Bridge the gap on eligible healthcare expenses

The LivingWell CDHP includes an HRA, funded as follows:

- \$500 for single coverage
- \$1,000 for a couple, parent-plus and family coverage

Use the HRA to pay for your co-insurance, which reduces your deductible. Get reimbursed for a wider variety of healthcare expenses. Now includes over-the-counter drugs and menstrual care products and certain protective equipment, such as face masks and hand sanitizer.

Unused HRA funds can be carried over to the next plan year up to a maximum carryover amount of \$7,500.
