Re: New Wellness Partner for PY2024

Date: August 25, 2023

We have an exciting new partnership with Castlight for wellness benefits, starting in January 2024. Members can still earn up to \$480 in premium discounts by completing the LivingWell Promise by July 1, 2024. After much discussion and many considerations, we will only require members to complete the Castlight Health Assessment to fulfill the LivingWell Promise in 2024. Biometric screenings will no longer be an option to satisfy the Promise.

Members can still earn up to \$200 and a covered spouse can earn up to \$100 in LivingWell engagement rewards for activities like getting an annual preventive medical exam, getting other preventive exams like a colonoscopy or a mammography, completing a dental screening, or participating in step challenges.

Download the Castlight app to register in seconds or visit mycastlight.com/mybenefits.
