What's Not Covered?

Like most insurance plans, this plan has exclusions. Optional and Dependent Life Insurance does not provide payment of benefits for death caused by suicide within the first two years (one year for group policies issued in Colorado, Minnesota, Missouri or North Dakota) of the effective date of the certificate or an increase in coverage. This exclusionary period is one year for residents of Minnesota, Missouri and North Dakota. The suicide exclusion does not apply to residents of Washington, or to individuals covered under a group policy issued in Washington.

Accidental Death & Dismemberment (AD&D) coverage is a coverage separate and apart from your Basic and Optional Life insurance coverage and helps protect you 24 hours a day, 365 days a year.

Accidental Death & Dismemberment Coverage Options

This coverage provides benefits beyond your disability or life insurance for losses due to covered accidents — including while commuting, traveling by public or private transportation and during business trips. MetLife's AD&D insurance pays you benefits if you suffer a covered accident that results in paralysis or the loss of a limb, speech, hearing or sight, third degree burn, or brain damage or coma. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

Optional AD&D Coverage Amounts for You

- Your Optional AD&D amount is equal to your Optional Term Life amount.

Life Insurance

Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the "Full Amount" and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount, and will be listed in your coverage in a table of Covered Losses. Such losses include loss of limbs, sight, speech and hearing, various forms of paralysis, third degree burn, brain damage and coma. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount. **Standard**

Additional Benefits Include

Some of the standard additional benefits included in your coverage that may increase the amounts payable to you and/or defray additional expenses that result from accidental injury or loss of life are:

- Air Bag
- Seat Belt
- Common Carrier

Other Available Additional Benefits Include

- Repatriation of Remains

What Is Not Covered by AD&D?

AD&D insurance does not include payment for any loss which is caused by or contributed to by: physical or mental illness, diagnosis of or treatment of the illness; an infection, unless caused by an external wound accidentally sustained or from food poisoning; suicide or attempted suicide; injuring oneself on purpose; the voluntary intake or use by any means of any drug, medication or sedative, unless taken as prescribed by a doctor or an over-the-counter drug taken as directed; voluntary intake of alcohol in combination with any drug, medication or sedative; war, whether declared or undeclared, or act of war, insurrection, rebellion or active participation in a riot; committing or trying to commit a felony; any poison, fumes or gas, voluntarily taken, administered or absorbed; service in the armed forces of any country or international authority, except the United States National Guard; operating, learning to operate, or serving as a member of a crew of an aircraft; while in any aircraft for the purpose of descent from such aircraft while in flight (except for self-preservation); or operating a vehicle or device while intoxicated as defined by the laws of the jurisdiction in which the accident occurs. Specific information pertaining to your insurance can be obtained by contacting your benefits administrator.

About Your Coverage Effective Date

You must be Actively at Work on the date your coverage becomes effective. Your coverage must be in effect in order for your spouse and eligible children's coverage to take effect. In addition, your spouse and eligible child(ren) must not be home or hospital confined or receiving or applying to receive disability benefits from any source when their coverage becomes effective.

If Actively at Work requirements are met, coverage will become effective on the date following the receipt of your completed application for all requests that do not require additional medical information. A request for your amount that requires additional medical information and is not approved by the date listed above will not be effective until the later of the date that notice is received that MetLife has approved the coverage or increase if you meet Actively at Work requirements on that date, or the date that Actively at Work requirements are met after MetLife has approved the coverage or increase. The coverage for your spouse and eligible child(ren) will take effect on the date they are no longer confined, receiving or applying for disability benefits from any source or hospitalized.

Who Can Be A Designated Beneficiary?
