Essential Choice

Read your Certificate Carefully. The Certificate sets forth many of the rights and obligations between you and the Plan. Payment of benefits is subject to the provisions, limitations and exclusions of your Certificate. It is therefore important that you read your Certificate.

DENTAL CERTIFICATE OF COVERAGE

Welcome to Anthem Blue Cross and Blue Shield (“Anthem”)! This Dental Certificate of Coverage (hereinafter "Certificate") has been prepared by Anthem to help explain your dental care benefits. Please refer to this Certificate whenever you require Dental Services. It describes how to access dental care, what Dental Services are covered by Us, and what portion of the dental care costs you will be required to pay.

The coverage described in this Certificate is subject in every respect to the provisions of the Group Dental Contract issued to your Group. The Group Dental Contract and this Certificate and any amendments or riders attached to the same, shall constitute the Group Dental Contract under which Covered Services are provided by Us.

This Certificate should be read in its entirety. Since many of the provisions of this Certificate are interrelated, you should read the entire Certificate to get a full understanding of your coverage.

Many words used in the Certificate have special meanings. These words appear in capitals and are defined for you. Refer to these definitions in the Definitions section for the best understanding of what is being stated. The Certificate also contains exclusions.

This Certificate supersedes and replaces any Certificate previously issued to you under the provisions of the Group Dental Contract.

ELIGIBILITY AND ENROLLMENT

You have coverage provided under this Certificate because of your employment with the Group. You must satisfy certain requirements to participate in the Group's benefit plan. These requirements may include probationary or waiting periods and Actively At Work standards as determined by the Group or state and/or federal law and approved by Us.

Your Eligibility requirements are described in general terms below. For more specific eligibility information, see your Human Resources or Benefits Department.

Eligibility

The following eligibility rules apply unless you are notified by Us and the Group.

Subscriber

To be eligible to enroll as a Subscriber, an individual must:

- Be either: An Eligible Person or a Dependent of the Eligible Person, and:
- Be entitled to participate in the benefit Plan arranged by the Group;
- Have satisfied any probationary or waiting period established by the Group and be Actively At Work;
- Meet the eligibility criteria stated in the Group Contract.

Dependents

To be eligible to enroll as a Dependent, you must be listed on the enrollment form completed by the Subscriber, meet all Dependent eligibility criteria established by the Group and be:

- The Subscriber's Legally Married spouse.
- The Subscriber's or the Subscriber's spouse's children, including natural children, stepchildren, newborn and legally adopted children and children who the Group has determined are covered under a "Qualified Medical Child Support Order" as defined by ERISA or any applicable state law).
- Children for whom the Subscriber or the Subscriber's spouse is a legal guardian.

All enrolled eligible, children will continue to be covered until the age limit listed in the Schedule of Benefits.

Eligibility will be continued past the age limit only for those already enrolled Dependents who cannot work to support themselves due to mental retardation or physical or mental handicap. These Dependents must be allowed as a federal tax exemption by the Subscriber or Subscriber's spouse. The Dependent's disability must start before the end of the period they would become ineligible for coverage. The Plan must certify the Dependent's eligibility. The Plan must be informed of the Dependent's eligibility for continuation of coverage within 31 days after the Dependent would normally become ineligible. You must notify Us if the Dependent's marital or tax exemption status changes and they are no longer eligible for continued coverage.

The Plan may require the Subscriber to submit proof of continued eligibility for any enrolled child. Your failure to provide this information could result in termination of a child's coverage.

To obtain coverage for children, We may require that the Subscriber complete a "Dependency Affidavit" and provide Us with a copy of any legal documents awarding guardianship of such child(ren) to the Subscriber. Temporary custody is not sufficient to establish eligibility under this Certificate. Coverage for legally adopted children of the Subscriber or any child for which the Subscriber is a court appointed guardian

begins on the date of the filing of the petition for adoption or the filing of the application for appointment of guardian.

Coverage Effective Dates and enrollment requirements are determined by the Group.

Out of Service Area Dependent Child Coverage

Benefits for Covered Services will be provided for enrolled Dependent children who reside outside of the Service Area due to such children attending an out of Service Area educational institution or residing with the Subscriber's former spouse. Benefits are payable at the Network level and are limited to the Maximum Allowable Amount. Payment is subject to any Coinsurance, Copayment and/or Deductible. You may be responsible for any amount in excess of the Maximum Allowable Amount.

If you are eligible to enroll as a Member, you must enroll at the time agreed upon by the Plan. Otherwise, you may only enroll during the Open Enrollment period or during a Special Enrollment period, whichever is applicable.

Enrollment

Initial Enrollment

An Eligible Person can enroll for Single, Couple, Parent Plus or Family Coverage by submitting an application to the Plan. The application must be received within 35 days of the Eligible Persons date of hire. Coverage will be effective based on the waiting period chosen by the Group, which is the first day of the second month after the date of hire. If We do not receive the initial enrollment by this date, the Eligible Person can only enroll for coverage during the Open Enrollment period or during a Special Enrollment period, whichever is applicable.

If a person qualifies as a Dependent but does not enroll when the Eligible Person first applies for enrollment, the Dependent can only enroll for coverage during the Open Enrollment period or during a Special Enrollment period, whichever is applicable.

It is important for you to know which family members are eligible to apply for benefits under Family Coverage. See the section on Eligible Dependents.

Continuous Coverage

If you were covered by the Group’s prior carrier / plan immediately before the Group signs up with us, with no break in coverage, then you receive credit for any accrued Deductible and, if applicable and approved by Us, Out of Pocket amounts under the Group’s prior carrier or plan. For Deductible, the credit applies for the same or overlapping benefit periods and will be given for expenses actually incurred and applied against the deductible provisions of the Group’s prior carrier or plan during the ninety (90) days preceding the Group’s effective date of coverage with Us.

If a determination of the Group’s prior carrier or plan’s benefits are required by Us, at Our request the Group’s prior carrier or plan will provide a statement of the benefits available or pertinent information sufficient to permit verification of the benefit determination or the determination itself by Us. For purposes of this section, benefits of the Group’s prior carrier or plan will be determined in accordance with all of the definitions, conditions, and covered expense provisions of the Group’s prior carrier or plan’s group policy rather than those of Our Certificate. The benefit determination shall be made as if coverage had not been replaced by Us.

The provisions above do not apply to persons who were not covered by the prior carrier or plan on the day before the Group’s coverage with Us began, or to persons who join the Group later.

If your Group moves from one Anthem Blue Cross Blue Shield plan to another, (for example, changes its coverage from HMO to PPO), and you were covered by the other product immediately prior to enrolling in this product with no break in coverage, then you may receive credit for any accrued Deductible and Out of Pocket amounts, if applicable and approved by Us. Any maximums when applicable, will be carried over and charged against the maximums under this Certificate.

If your Group offers more than one Anthem product, and you change from one Anthem product to another with no break in coverage, you will receive credit for any accrued Deductible and, if applicable, Out of Pocket amounts and any maximums will be carried over and charged against maximums.

If your Group offers coverage through other products or carriers in addition to Anthem's, and you change products or carriers to enroll in this Anthem product with no break in coverage, you will receive credit for any accrued Deductible, Out of Pocket, and any maximums.

This Section Does Not Apply To You If You:

- Change from an individual Anthem Blue Cross Blue Shield policy to a group Anthem Blue Cross Blue Shield plan;
- Change employers and both have Anthem Blue Cross Blue Shield coverage; or
- Are a new Member of the Group who joins the Group after the Group's initial enrollment with Us.

Newborn and Adopted Child Coverage

Newborn children of the Subscriber or the Subscriber’s spouse will be covered for illness or injury for an initial period of 31 days from the date of birth. Coverage for newborns will continue beyond the 31 days only if the Subscriber submits through the Group, or the Plan, a request to add the child under the Subscriber’s Certificate. The request must be submitted within 35 days after the birth of the child. Failure to notify the Plan during this 35 day period will result in no coverage for the newborn beyond the first 35 days, except as permitted for a Late Enrollee.

A child will be considered adopted from the earlier of: (1) the moment of placement in your home; or (2) the date of an entry of an order granting custody of the child to you. The child will continue to be considered adopted unless the child is removed from your home prior to issuance of a legal decree of adoption.

To continue coverage beyond the first 31 day period after the child's birth or adoption you must notify Us by submitting a Change of Status Form to add the child under the Subscriber's Certificate. The Change of Status Form must be submitted along with the additional Premium, if applicable, within 35 days after the birth or placement of the child. Failure to notify the Plan and pay any applicable Premium during this 35 day period will result in no coverage for the newborn or adopted child beyond the first 35 days, except as permitted for a Late Enrollee.

Adding a Child due to Award of Legal Custody or Guardianship

If a Subscriber or the Subscriber’s spouse is awarded legal custody or guardianship for a child, an application must be submitted within 35 days of the date of the filing of the petition for adoption or the filing of the application for appointment of guardianship or the child will be treated as a Late Enrollee. Coverage will be effective from and after the date of the filing of the petition for adoption or the filing of the application for appointment of guardianship.

Qualified Medical Child Support Order

If you are required by a qualified medical child support order or court order, as defined by ERISA and/or applicable state or federal law, to enroll your child under this Certificate, We will permit your child to enroll at any time without regard to any Open Enrollment limits and shall provide the benefits of this Certificate in accordance with the applicable requirements of such order. A child's coverage under this provision will not

extend beyond any Dependent Age Limit listed in the Schedule of Benefits. Any claims payable under this Certificate will be paid, at Our discretion, to the child or the child's custodial parent or legal guardian, for any expenses paid by the child, custodial parent, or legal guardian. We will make information available to the child, custodial parent, or legal guardian on how to obtain benefits and submit claims to Us directly.

Special Enrollment/Special Enrollees

If you are declining enrollment for yourself or your Dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your Dependents in this Plan if you or your Dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your Dependents' other coverage). However, you must request enrollment within 35 days after your other coverage ends (or within 60 days after Medicaid coverage ends) after your or your Dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new Dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your Dependents in the Plan, provided that you request enrollment within 35 days after the marriage, birth, adoption, or placement for adoption.

If We receive an application to add your Dependent or an Eligible Person and Dependent more than 35 days after the qualifying event, that person is only eligible for coverage as a Late Enrollee.

Eligible Employees and Dependents may also enroll under two additional circumstances:

- the Employee's or Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- the Employee or Dependent becomes eligible for a subsidy (state premium assistance program) under Medicaid or CHIP.

The Employee or Dependent must request Special Enrollment within 60 days of the loss of Medicaid/CHIP or of the eligibility determination. If We receive an application to add your Dependent or an Eligible Person and Dependent more than 60 days after the loss of Medicaid/CHIP or of the eligibility determination, we will not be able to enroll that person until the Group's next Open Enrollment.

Application forms are available from the Plan.

Late Enrollees

You are considered a Late Enrollee if you are an Eligible Person or Dependent who did not request enrollment for coverage:

- During the initial enrollment period; or
- During a Special Enrollment period; or
- As a newly eligible Dependent who failed to qualify during the Special Enrollment period and did not enroll within 35 days of the date you were first entitled to enroll.

You will not be enrolled for coverage with the Plan until the next Open Enrollment Period.

Open Enrollment Period

An Eligible Person or Dependent who did not request enrollment for coverage during the initial enrollment period, or during a Special Enrollment period, however, will not be enrolled until the Group's next annual enrollment.

Open Enrollment means a period of time which is held no less frequently than once in any 12 consecutive months.

Notice of Changes

The Subscriber is responsible to notify the Group of any changes which will affect his or her eligibility or that of Dependents for services or benefits under this Certificate. The Plan must be notified of any changes as soon as possible but no later than within 35 days of the event. This includes changes in address, marriage, divorce, death, change of Dependent disability or dependency status, enrollment or disenrollment in another health plan or Medicare. Failure to notify Us of persons no longer eligible for services will not obligate Us to pay for such services. Acceptance of payments from the Group for persons no longer eligible for services will not obligate Us to pay for such services.

Family Coverage should be changed to Single Coverage when only the Subscriber is eligible. When notice is provided within 35 days of the event, the Effective Date of coverage is the event date causing the change to Single Coverage. The Plan must be notified when a Member becomes eligible for Medicare.

All notifications by the Group must be in writing and on approved forms. Such notifications must include all information reasonably required to effect the necessary changes.

A Member's coverage terminates as specified in the Termination section of this Certificate.

Nondiscrimination

No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender or age.

Effective Date of Coverage

For information on your specific Effective Date of Coverage under this Certificate, please see your human resources or benefits department. You can also contact Us by calling the number located on the back of your Identification (ID) Card or by visiting www.anthem.com/kehp.

When Your Coverage Starts

If you are an Inpatient on your Effective Date and you do not have coverage for that Inpatient stay under a prior plan, services related to the Inpatient stay are covered as long as:

- You notify Us of the Inpatient stay within 48 hours of the Effective Date or as soon as reasonably possible; and
- Services are received in accordance with the terms, conditions, Exclusions, and limitations of this Certificate.

If you are an Inpatient on your Effective Date and the Inpatient stay is covered under a prior plan, services related to that Inpatient stay are not covered under this Certificate. All other Covered Services are covered as of the Effective Date.

If you have prior coverage which has been required by state law to extend benefits for a particular condition or a disability as defined by state law, services for the condition or disability will not be covered under this Certificate.

Statements and Forms

Subscribers (or applicants for membership) must complete and submit applications, medical review questionnaires or other forms or statements the Plan may reasonably request.

Applicants for membership understand that all rights to benefits under this Certificate are subject to the

condition that all such information is true, correct and complete. Any material misrepresentation by a Member may result in termination of coverage as provided in the "Changes in Coverage: Termination, Continuation & Conversion" section.

Delivery of Documents

We will provide an Identification Card for each Member and a Certificate for each Subscriber.

TERMINATION AND CONTINUATION

Except as otherwise provided, your coverage may terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your Group's agreement with Us and your specific circumstances, such as whether Premium has been paid in full.

Termination of Coverage
Your coverage and that of your eligible Dependents ceases on the earliest of the following dates:

a) On the date determined by your employer in which (1) you cease to be eligible; (2) your Dependent is no longer eligible as a Dependent under the Certificate.

b) On the date the Certificate is terminated.

c) On the date the Group terminates the Certificate by failure to pay the Premiums, except as a result of inadvertent error.

d) The date contribution for coverage under the Certificate is not made when due.

For extended eligibility, see Continuation of Coverage.

Continuation of Coverage (COBRA)

Dental benefits may be continued should any of the following events occur, provided that at the time of occurrence this Certificate remains in effect and you or your spouse or your Dependent child is a Member under this Certificate:

QUALIFYING EVENT	WHO MAY CONTINUE	MAXIMUM CONTINUATION PERIOD
Employment ends, retirement, leave of absence, lay-off, or employee becomes ineligible (except gross misconduct dismissal)	Subscriber and Dependents	Earliest of: 1. 18 months, or 2. Enrollment in other group coverage or Medicare, or 3. Date coverage would otherwise end.

Subscriber's total disability	Subscriber and Dependents	Earliest of: 1. 29 months, or 2. Date total disability ends, or 3. Enrollment date in other group coverage or Medicare.

You or your eligible Dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Group that you wish to continue coverage.

1. Choosing Continuation

   If you lose coverage, your employer must notify you of the option to continue coverage within 14 days after employment ends. If coverage for your Dependent ends because of divorce, legal separation, or any other change in Dependent status, you or your covered Dependents must notify your employer within 60 days.

   You or your covered Dependents must choose to continue coverage by notifying the employer in writing. You or your covered Dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered Dependents ineligible to choose continuation at a later date. You or your covered Dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered Dependents must pay charges monthly in advance to the employer to maintain coverage in force.

   Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to your employer. If you or your covered Dependents are totally disabled, charges for continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the employer may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

   If a second qualifying event occurs during continuation, a Dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

   When a second qualifying event occurs such as the death of the former covered employee, the Dependent must notify the employer of the second event within 60 days after it occurs in order to

continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible Dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;

b) This Certificate is terminated by the Group Subscriber;

c) The Group Subscriber's or Member's failure to make the payment for the Member's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to your employer. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

DENTAL PROVIDERS AND CLAIMS PAYMENT

You do not have to select a particular Dentist to receive dental benefits. You have the freedom to choose the Dentist you want for your dental care. However, your Dentist choice can make a difference in the benefits you receive and the amount you pay. You may have additional out-of-pocket costs if your Dentist is a Non-Participating Dentist. There may be differences in the payment amount compared with a Participating Dentist if your Dentist is a Non-Participating Dentist.

PAYMENTS ARE MADE BY ANTHEM ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

This section describes how We determine the amount of reimbursement for Covered Services. Reimbursement for Dental Services rendered by Participating and Non-Participating Dentists is based on the Maximum Allowed Amount for the type of service performed. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating or a Non-Participating Dentist.

The Maximum Allowed Amount is the maximum amount of reimbursement Anthem will pay for Dental Services provided by a Dentist to a Member and which meet our definition of a Covered Service. For Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Schedule of Maximum Allowable Charges. For Non-Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Table of Allowances.

You will be required to pay a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Coinsurance. In addition, when you receive Covered Services from a Non-Participating Dentist, you may be responsible for paying any difference between the Maximum Allowed Amount and the Dentist's actual charges. This amount may be significant.

When you receive Covered Services from a Dentist, we will apply processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and, among other things, determine the accuracy and appropriateness of the Dental Procedure. Applying these rules may affect our determination of the Maximum Allowed Amount. For example, your Dentist may have submitted the claim using several procedure codes when there is a single procedure code that includes all or a combination of the procedures that were performed. When this occurs, our payment will be based on a single Maximum Allowed Amount for the single procedure code rather than a separate Maximum Allowed Amount for each billed procedure amount.

Likewise, when multiple procedures are performed on the same day by the same dental Provider or other dental Providers, We may reduce the Maximum Allowed Amount for those additional procedures, because reimbursement at 100% of the Maximum Allowed Amount for those procedures would represent a duplicate payment for a Dental Procedure that may be considered incidental or inclusive.

PROVIDER NETWORK STATUS

The Maximum Allowed Amount may vary depending upon whether the Provider is a Participating Dentist or a Non-Participating Dentist. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating Dentist or a Non-Participating Dentist.

Participating Dentists

A Participating Dentist is a Dentist who has signed a written provider service agreement agreeing to service the program identified in this Certificate. For Covered Services performed by a Participating Dentist, the Maximum Allowed Amount is based upon the lesser of the Dentist's actual charges or the Schedule of Maximum Allowable Charges. Because Participating Dentists have agreed to accept the Maximum Allowed Amount as payment in full for services, they should not send you a bill or collect for amounts above the agreed upon Maximum Allowed Amount. However, you may receive a bill or be asked to pay a portion of the Maximum Allowed Amount to the extent you have exhausted your coverage for the service, have not met your Deductible, have a Coinsurance, have received non-covered services, or have exceeded the dental benefit maximum as outlined in the Summary of Benefits. Please call our Customer Service Department at 1-844-402-5347 for help in finding a Participating Dentist or visit our website at www.anthem.com/kehp.

Non-Participating Dentists

Dentists who have NOT signed a written provider service agreement agreeing to service the program identified in this Certificate are considered Non-Participating Dentists. For Covered Services you receive from a Non-Participating Dentist, the Maximum Allowed Amount will be the lesser of the Dentist's actual charges or an amount based on Our Non-Participating Dentist fee schedule, referred to as the Table of Allowances, which We have established in Our discretion, and which We reserve the right to modify from time to time after considering one or more of the following: reimbursement amounts accepted by similar providers contracted with Us, and other industry cost, reimbursement and utilization data. The Table of Allowances may be different from the Maximum Allowed Amount reimbursed to Participating Dentists.

Unlike Participating Dentists, Non-Participating Dentists may send you a bill and collect for the amount of the Dentist's charge that exceeds Our Maximum Allowed Amount. You are responsible for paying the difference between the Maximum Allowed Amount and the amount the Non-Participating Dentist charges. This amount may be significant. Choosing a Participating Dentist will likely result in lower out of pocket costs to you. Please call Customer Service Department at 1-844-402-5347 for help in finding a Participating Dentist or visit Our website at www.anthem.com/kehp.

Customer Service is also available to assist you in determining the Maximum Allowed Amount for a particular service from a Non-Participating Dentist. In order for Us to assist you, you will need to obtain the specific procedure code(s) from your Dentist for the services the Dentist will render. You will also need to know the Dentist's charges to calculate your out of pocket responsibility. Although Customer Service can assist you with this pre-service information, the Maximum Allowed Amount for your claim will be based on the actual claim submitted.

MEMBER COST SHARE

For certain Covered Services and depending on your dental program, you may be required to pay a part of the Maximum Allowed Amount (for example, Deductible and/or Coinsurance). Your Deductible and Coinsurance cost share amount and out-of-pocket limits may vary depending on whether you received services from a Participating or Non-Participating Dentist. Specifically, you may pay higher cost sharing amounts or incur benefit limits when using Non-Participating Dentists. Please see the Summary of Benefits in this Certificate for your cost share responsibilities and limitations, or call Customer Service to learn how this Certificate's benefits or cost share amounts may vary by the type of Dentist you use.

Payment of Benefits

You authorize Us to make payments directly to Participating Dentists for Covered Services. We also reserve the right to make payments directly to you. Payments may also be made to, and notice regarding the receipt and/or adjudication of claims, an Alternate Recipient, or that person's custodial parent or designated representative. Any payments made by Us will discharge Our obligation to pay for Covered Services.

Once a Provider gives a Covered Service, We will not honor a request for Us to withhold payment of the claims submitted.

THE MEMBER IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY A NON-PARTICIPATING DENTIST. WHEN SERVICES ARE OBTAINED FROM A NON-PARTICIPATING DENTIST, ANY BENEFITS PAYABLE UNDER THE GROUP CONTRACT ARE PAID DIRECTLY TO THE MEMBER UNLESS YOU ASSIGN THE PAYMENT DIRECTLY TO THE PROVIDER OF THE DENTAL SERVICE BY INDICATING SO ON THE CLAIM FORM.

Notice of Claim

We are not liable under the Certificate, unless We receive written notice that Covered Services have been given to you. An expense is considered incurred on the date the service or supply was given.

The notice must be given to Us within 12 months of receiving the Covered Services, and must have the data We need to determine benefits. Failure to give Us notice within 12 months will not reduce any benefit if you show that the notice was given as soon as reasonably possible. No notice can be submitted later than one year after the usual 12 month filing period ends. If the notice submitted does not include sufficient data We need to process the claim, then the necessary data must be submitted to Us within the time frames specified in this provision or no benefits will be payable except as otherwise required by law.

Any benefits due under this Certificate shall be due once We have received proper, written proof of loss, together with such reasonably necessary additional information We may require to determine Our obligation. In the event We do not pay a claim within 30 days of receipt of proof of loss, We will pay interest at the rate required by law on the benefits due under the terms of the Certificate.

Claims should be submitted to:

Anthem Blue Cross and Blue Shield
PO Box 1115
Minneapolis, MN 55440-1115
1-844-402-5347

Proof of Claim

Written proof of claim satisfactory to Us must be submitted to Us within 12 months after the date of the event for which claim is made. If proof of claim is not sent within the time required, the claim will not be reduced or denied if it was not possible to send proof within this time. However, the proof must be sent as soon as reasonably possible. In any case, the proof required must be sent to Us no later than one year following the 12 month period specified, unless you were legally incapacitated.

Claim Forms

Many Providers will file a claim form for you. If the forms are not available, either send a written request for claim forms to Us or contact customer service and ask for claim forms to be sent to you. The form will be sent to you within 15 days. If you do not receive the forms, written notice of services rendered may be submitted to Us without the claim form. The same information that would be given on the claim form must be included in the written notice of claim. This includes:

- Name of patient
- Patient's relationship with the Subscriber
- Identification number
- Date, type and place of service
- Your signature and the Provider's signature

Member's Cooperation

Each Member shall complete and submit to the Plan such authorizations, consents, releases, assignments and other documents as may be requested by the Plan in order to obtain or assure reimbursement under Medicare, Worker's Compensation or any other governmental program. Any Member who fails to cooperate will be responsible for any charge for services.

Explanation of Benefits

After you receive dental care, you will often receive an Explanation of Benefits (EOB). The EOB is a summary of the coverage you receive. The EOB is not a bill, but a statement from Us to help you understand the coverage you are receiving. The EOB shows:

- total amounts charged for services/supplies received;
- the amount of the charges satisfied by your coverage;
- the amount for which you are responsible (if any);
- general information about your Appeals rights and for ERISA plans, information regarding the right to bring an action after the Appeals process.

COVERED SERVICES

Dental Utilization Review

Dental utilization review is designed to promote the delivery of cost-effective dental care by encouraging the use of clinically recognized and proven procedures. It is included in your Plan to encourage you and your dentist to utilize your dental benefits in a cost-effective and clinically appropriate and recognized manner. Your right to benefits for Covered Services provided under this Plan is subject to review by licensed dentists who will apply certain policies, guidelines and limitations, including, but not limited to, our coverage/clinical guidelines, dental policy and utilization review features.

Dental utilization review is accomplished through pre-treatment review and retrospective review. Our dental coverage guidelines for pre-treatment review and retrospective review are intended to reflect general standards of care for dental practice applying state-specific regulations where necessary. The purpose of dental coverage guidelines is to assist in the interpretation of medical or dental necessity. In order to be expenses or services covered under this Plan, such expenses and services must meet Anthem's Medical or Dental Necessity requirements.

Pretreatment Estimate
(Estimate of Benefits)

IT IS RECOMMENDED, BUT NOT REQUIRED, THAT A PRETREATMENT ESTIMATE BE SUBMITTED TO ANTHEM PRIOR TO TREATMENT IF YOUR DENTAL TREATMENT INVOLVES MAJOR RESTORATIVE, ENDODONTIC, PERIODONTAL, ORAL SURGERY, PROSTHETICS, OR ORTHODONTIC CARE (SEE DESCRIPTION OF COVERAGES), TO ESTIMATE THE MAXIMUM ALLOWED AMOUNT. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMITTING A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS ARE AVAILABLE TO YOU BEFORE BEGINNING TREATMENT. THE PRETREATMENT ESTIMATE WILL OUTLINE YOUR RESPONSIBILITY TO THE DENTIST WITH REGARD TO COINSURANCE, DEDUCTIBLES, COPAYS AND NON-COVERED SERVICES. THIS WILL ALLOW THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED MAXIMUM ALLOWED AMOUNT IS BASED ON YOUR CURRENT ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE COMPLETED SERVICE. SUBMISSION OF OTHER CLAIMS OR CHANGES IN ELIGIBILITY OR THE CONTRACT MAY ALTER FINAL PAYMENT. THIS IS NOT A GUARANTEE OF BENEFITS.

After the examination, your Dentist will establish the dental treatment to be performed. If the dental treatment necessary involves major restorative, endodontics, periodontal, oral surgery, prosthetic services or orthodontic care, you should submit a claim form to Anthem outlining the proposed treatment. Anthem will determine if the proposed treatment is covered and estimate the Maximum Allowed Amount, including your responsibility for Coinsurance, Deductibles, and non-covered services.

A statement will be sent to you and your Dentist estimating the amount of the Maximum Allowed Amount, including the amount that you will owe. These estimates will be subject to your continuing eligibility and the Group Contract remaining in effect. If claims for other completed Dental Services are received and processed prior to the completion date of the proposed treatment, this may reduce Anthem's estimated Maximum Allowed Amount for the proposed treatment and increase your obligation to the Dentist.

TO AVOID ANY MISUNDERSTANDING OF THE MAXIMUM ALLOWED AMOUNT OR THE AMOUNT THAT YOU WILL OWE, ASK YOUR DENTIST ABOUT HIS OR HER PARTICIPATION STATUS AND IF HE OR SHE HAS AGREED TO SERVICE THIS DENTAL PROGRAM PRIOR TO RECEIVING DENTAL CARE.

You will be responsible for payment of any Deductibles, Copays and Coinsurance amounts and any dental treatment that is not considered a Covered Service under your Certificate.

The Plan covers the following Dental Procedures when they are performed by a licensed Dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Certificate shall be provided whether the Dental Procedures are performed by a duly licensed physician or a duly licensed Dentist, if otherwise covered under this Certificate, provided that such Dental Procedures can be lawfully performed within the scope of a duly licensed Dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining Dentist, or from hospitals in which a Dentist's care is provided, such information and records relating to a Member as may be required to pay claims. Also, the Plan may require that a Member be examined by a dental consultant retained by Anthem in or near the Member's place of residence. Anthem and the Plan shall hold such information and records confidential.

Anthem does not determine whether a service submitted for payment or benefit under this Certificate is a Dental Procedure that is dentally or medically necessary to treat a specific condition or restore dentition for an individual. The Plan evaluates Dental Procedures submitted to determine if the procedure is a covered benefit. Your coverage includes a preset schedule of Dental Services that are eligible for benefit by Anthem. Other Dental Services may be recommended or prescribed by your Dentist which are dentally or medically necessary, offer you an enhanced cosmetic appearance, or are more frequent than covered by Anthem. While these services may be prescribed by your Dentist and are dentally or medically necessary for you, they may not be a Dental Service that is benefited by Anthem or they may be a service where Anthem provides a payment allowance for a service that is considered to be optional treatment. If Anthem gives you a payment allowance for optional treatment that is covered, you may apply this Anthem payment to the service prescribed by your Dentist which you elected to receive. Services that are not covered by Anthem or exceed the frequency of plan benefits do not imply that the service is or is not dentally or medically necessary to treat your specific dental condition. You are responsible for Dental Services that are not covered or benefited by Anthem. Determination of services necessary to meet your individual dental needs is between you and your Dentist.

Retrospective Review

Retrospective review means a Medical Necessity review that is conducted after dental care services have been provided. A claim review includes, but is not limited to, an evaluation of reimbursement levels, accuracy of documentation, accuracy of coding and adjudication of payment.

We provide a toll-free telephone number available during normal business hours to assist you or your Provider in obtaining information with respect to our utilization review process. This same number may be utilized after business hours to leave a message which will be responded to within two business days in non-emergent situations. This telephone number is listed on your identification card.

If you disagree with a utilization review decision and wish to file an appeal or appeal a decision previously made, you will find details on how to do this in the CLAIM AND APPEAL PROCEDURES section of this certificate. You may also contact customer service at the toll-free number on your identification card.

The utilization review process is governed by laws and regulations and may be modified from time to time by us as those laws and regulations may require.

ONLY those services listed below are covered. Deductibles and Dental Benefit Maximums are listed under the Summary of Benefits. Covered Services are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of Covered Services, please see the "Pretreatment Estimate" section of this Certificate.

Dental services exceeding annual benefit maximum(s) are not Covered Services in compliance with applicable state law(s) and participating provider discounts may not apply. Please contact your dentist to determine available discounts prior to obtaining services. For complete coverage details, please contact member services.

Any provision of this Certificate which is in conflict with the laws of the state in which the Group Dental Contract is issued, or with federal law, is hereby automatically amended to conform with the minimum requirements of such laws.

Modifications

This Certificate allows the Group to make the Plan coverage available to eligible Members. However, this Certificate shall be subject to amendment, modification, and termination in accordance with any of its provisions, the Group Dental Contract, or by mutual agreement between the Plan and the Group without the permission or involvement of any Member. Changes will not be effective until 30 days after We provide written notice to the Group about the change. By accepting the Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms, conditions, and provisions in this Certificate.

Physical Examination and Autopsy

At our own expense, we have the right to: (1) examine any Member for whom a claim is made when and as often as may be reasonably required during the pendency of a claim; and (2) perform an autopsy on any Member where it is not otherwise prohibited by law.

Legal Action

You may not take legal action against Us to receive benefits:

- Earlier than 60 days after We receive the claim; or
- Later than three years after the date the claim is required to be furnished to Us or the date of service.

You must exhaust the Plan's Grievance and Appeal Procedures before filing a lawsuit or other legal action of any kind against Us.

Punitive Damages

In the event that you or your representative sue us or any of our directors, officers or employees acting in his or her capacity as a director, officer or employee for a determination of what coverage, if any, exists under this Certificate, your damages will be limited to the amount of your claim for benefits.

The damages may not exceed the amount of any claim not properly paid as of the date the lawsuit is filed. This Certificate does not provide coverage for punitive damages, or damages for emotional distress or mental anguish. However, this provision is not intended, and will not be construed, to affect in any manner, any recovery by you or your representative of any non contractual damages to which you or your representative may otherwise be entitled.

DENTAL COORDINATION OF BENEFITS

Applicability

This provision applies when you have dental care coverage under more than one plan. For the purposes of this provision, "plan" is defined below.

If this provision applies, the Order of Benefit Determination Rules specify whether the benefits of this plan are determined before or after those of another plan. The benefits of this plan:

1. Will not be reduced when, under the Order of Benefit Determination Rules, this plan determines its benefits before another plan; but
2. May be reduced when, under the Order of Benefit Determination Rules, another plan determines its benefits first. The reduction is described under the heading Effects on the Benefits of this Plan.

Definitions

Plan - this plan and any other arrangement providing dental care or benefits for dental care through:

1. Group insurance or group-type coverage whether insured or uninsured. It also includes coverage other than school accident-type coverage.
2. Individual insurance for individual-type coverage.
3. Coverage under a governmental plan or coverage required or provided by law except [Medicare or] Medicaid.
4. Any other coverage which, as defined by the Employee Retirement Income Security Act of 1974, is a labor-management trustee plan, a union welfare plan, an employee organization plan or an employee benefit organization.
5. Any other coverage provided because of sponsorship by or membership in any other association, union, or similar organization.

"Plan" is not any of the following:

1. Group or group-type Hospital indemnity benefits of $100.00 per day or less.
2. School accident-type coverage for grammar, high school, and college students for accidents only, including athletic injuries, either on a 24 hour basis or on a "to and from" school basis.

Primary plan/Secondary plan - the Order of Benefit Determination Rules state whether this plan is a primary plan or secondary plan as to another plan covering the person.

Primary plan means a plan whose benefits shall be determined without taking the existence of any other plan into consideration if:

1. The plan either has no order of benefits determination requirements, or
2. All plans that cover the person use the order of benefits determination requirements as listed in the Order of Benefit Determination Rules section.

When this plan is a primary plan, its benefits are determined before those of the other plan and without considering the other plan's benefits.

When this plan is a secondary plan, its benefits are determined after those of the other plan and may be reduced because of the other plan's benefits.

When there are more than two plans covering the person, this plan may be a primary plan as to one or more other plans, and may be a secondary plan as to a different plan or plans.

Allowable expense - a dental care service or expense including deductibles or coinsurance, that is covered in full or in part by any of the plans covering the person.

When a plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an allowable expense and a benefit paid.

When the benefits are reduced under a primary plan because a member does not comply with the plan provisions, the amount of such reduction will not be considered an allowable expense. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and Preferred Provider arrangements. Only benefit reductions based upon provisions similar to this one and which are contained in the primary plan may be excluded from allowable expenses. This provision shall not be used by a secondary plan to refuse to pay benefits because a Health Maintenance Organization (HMO) member has elected to have dental care services provided by a non-HMO Provider and the HMO, pursuant to its contract, is not obligated to pay for providing those services.

Claim determination period - means a period of at least twelve (12) consecutive months, over which allowable expenses shall be compared with total benefits payable in the absence of coordination of benefits, to determine whether over-insurance exists and how much each plan will pay or provide.

Benefit reserve - means the savings recorded by a plan for claims paid for a member as a secondary plan rather than as a primary plan.

Order of Benefit Determination Rules

When there is a basis for a claim under this plan and another plan, this plan is a secondary plan which has its benefits determined after those of the other plan, unless:

1. The other plan has rules coordinating its benefits with those of this plan; and
2. Both those rules and this plan's rules require that this plan's benefits be determined before those of the other plan.

This plan determines its order of benefits using the first of the following rules which applies:

1. Pediatric Dental Coordination of Benefits (COB). If you have pediatric dental Essential Health Benefits that are included as part of a medical plan, the medical plan will be the primary coverage and this dental plan will be secondary.
2. If you have two dental plans, the dental plan which includes pediatric dental Essential Health Benefits will be the primary coverage. If both dental plans have pediatric dental Essential Health Benefits, the Order of Benefit Determination Rules below will apply.
3. Non-dependent/dependent. The benefits of the plan which covers the person as an employee, subscriber or subscriber (that is, other than as a dependent) are determined before those of the plan which covers the person as a dependent.
4. Dependent Child Covered Under More Than One Plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one plan the order of benefits is determined as follows:
    A. For a dependent child whose parents are married or are living together, whether or not they have ever been married:
        1. The plan of the parent whose birthday falls earlier in the calendar year is the primary plan; or
        2. If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.
    B. For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

1. If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. This rule applies to plan years commencing after the plan is given notice of the court decree;
2. If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of 1. above will determine the order of benefits;
3. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of 1. above will determine the order of benefits; or
4. If there is no court decree assigning responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
    a. The plan covering the custodial parent;
    b. The plan covering the spouse of the custodial parent;
    c. The plan covering the non-custodial parent; and then
    d. The plan covering the spouse of the non-custodial parent.

5. For a dependent child covered under more than one plan of individuals who are not the parents of the child, the provisions of item 1. above will determine the order of benefits as if those individuals were the parents of the child.
6. Joint custody. If the specific terms of a court decree state that the parents will share joint custody, without stating that one of the parents is responsible for the dental care expenses of the child, the plans covering the child shall follow the Order of Benefit Determination Rules outlined in paragraph 2.
7. Active/inactive subscriber. The benefits of a plan which covers a person as an employee who is neither laid off nor retired or as that employee's dependent are determined before those of a plan which covers that person as a laid off or retired employee or as that employee's dependent. If the other plan does not have this rule and if, as a result, the plans do not agree on the order of benefits, this rule 5 is ignored. This rule does not supersede rule 1 above.
8. Continuation Coverage. If a person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another plan, the following shall be the order of benefit determination:
    a. First, the benefits of a plan covering the person as an employee, subscriber or subscriber or as that person's dependent;
    b. Second, the benefits under the continuation coverage. If the other plan does not have the rule described above and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.
9. Longer/shorter length of coverage. If none of the above rules determines the order of benefits, the benefits of the plan which covered the person longer are determined before those of the plan which covered that person for the shorter term. If none of the preceding rules determines the primary plan, the allowable expenses shall be shared equally between the plans.

Effect on this plan's benefits

When a member is covered under two or more plans which together pay more than the allowable expense, the plan will pay this plan's benefits according to the Order of Benefit Determination Rules. This certificate's benefit payments will not be affected when it is primary. However, when this plan is secondary under the Order of Benefit Determination Rules, benefits payable will be reduced, if necessary, so that combined benefits of all plans covering you or your dependent do not exceed the allowable expense.

When this plan is secondary, you will receive credit during the calendar year for the amount by which your benefits are reduced. This credit will not be applied to the extent that would cause you to receive:

1. A combined benefit from all plans greater than the allowable expense; or
2. More benefits during a calendar year than you would receive if there were no other coverage.

When the benefits of this plan are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of this plan. If this plan is secondary, any benefit reserve accumulated for a member will be used to pay allowable expenses of that member only, not otherwise paid during the claim determination period. The benefit reserve, if any, will return to zero at the end of the claim determination period.

Right to receive and release needed information

Certain facts are needed to apply these rules. The plan has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person. The plan need not tell, or get the consent of, any person to do this. Each person claiming benefits under this certificate must give the plan any facts it needs to pay the claim.

Facility of payment

A payment made under another plan may include an amount which should have been paid under this plan. If it does, the plan may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under this plan. The plan will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

Right of recovery

If the amount of the payment made by the plan is more than it should have paid under this provision, it may recover the excess from one or more of:

1. The persons it has paid or for whom it has paid;
2. Insurance companies; or
3. Other organizations.

The "amount of the payments made" includes the reasonable cash value of any benefit provided in the form of services.

APPEAL PROCEDURES

In the event that we deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 days from the claim denial. We will make a benefit determination within 30 days following receipt of your appeal.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Anthem Blue Cross and Blue Shield
Attention: Appeals Unit
PO Box 1122
Minneapolis, MN 55440-1122

You may submit written comments, documents, or other information in support of your appeal. You will also be provided, upon request and free of charge, reasonable access to and copies of all relevant records used in making the decision. The review will take into account all information regarding the denied or reduced claim (whether or not presented or available at the initial determination) and the initial determination will not be given any weight.

The review will be conducted by someone different from the original decision-makers and without deference to any prior decision. Because all benefit determinations are based on a preset schedule of Dental Services eligible under your plan, claims are not reviewed to determine dental necessity or appropriateness. In all cases where professional judgment is required to determine if a procedure is covered under your plan's schedule of benefits, we will consult with a dental professional who has appropriate training and experience. In such a case, this professional will not be the same individual whose advice was obtained in connection with the initial adverse benefit determination (nor a subordinate of any such individual). In addition, we will identify any dental professional whose advice was obtained on our behalf, without regard to whether the advice was relied upon in making the benefit determination. If, after review, we continue to deny the claim, you will be notified in writing.

Authorized Representative
You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in our Authorized Representative form. This form is available at our web site or by calling Customer Service Department at 1-844-402-5347. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.
