

Health Reimbursement Arrangement

Waiver General Purpose HRA

Free money? Yes, please!

If you have other employer-sponsored health insurance coverage and don't need a health plan with KEHP, you can waive health insurance coverage and receive \$2,100 funded entirely by your employer. Your employer will contribute \$175 per month, up to \$2,100 per year to your HealthEquity debit VISA healthcare card. It will be funded in two equal installments: \$1,050 on January 1 and \$1,050 on July 1.

Bridge the gap on eligible healthcare expenses

Get reimbursed for a wide variety of healthcare expenses. Now includes over-the-counter drugs and menstrual care products and certain protective equipment, such as face masks and hand sanitizer. For a complete list, go to HealthEquity.com/QME. Unused HRA funds can be carried over to the next plan year up to a maximum of \$2,100 provided you continue to elect the Waiver General Purpose HRA.
