

COMMONWEALTH OF KENTUCKY POLICY STATEMENT ON DIVERSITY

The Commonwealth of Kentucky recognizes that continued success in meeting the needs of our clients and customers, both internal and external, requires the full and active participation of talented and committed individuals regardless of their respective race, color, religion, sex, national origin, sexual orientation, gender identity or expression, ancestry, age, pregnancy or related medical condition, marital or familial status, disability, veteran status, political affiliation, or genetic information. By fostering an atmosphere of acceptance and support, we can begin to value and appreciate the strengths afforded by the differences, styles, ideas, and organizational contributions of each and every person.

The ultimate goal of workplace diversity will be achieved when Kentucky State Government has further enhanced its ability to recruit, retain, and tap the full potential of employees at all levels and is diverse enough to:

1. Allow all Cabinets to compete for qualified employees from an increasingly diverse worker pool
2. Be more reflective of the population and socioeconomic circumstances of Kentucky's citizens; and
3. Eliminate biases that may be in the state workforce

Diversity complements the other organizational values of teamwork, leadership, empowerment, and service quality and encompasses the way we work, the work environment, and respect for people and ideas. Diversity includes everyone and everything. While its major focus may often revolve around issues of previous discrimination based on race and gender, it is not something that is defined, or limited solely by those two factors. Diversity also extends to age, personal and work history, education, function, personality, geographic origin, tenure with the organization, merit and non-merit status, and management or non-management position. It also encompasses varying management styles and ways of thinking, leadership abilities, skill levels, experiences, viewpoints, expression of thoughts and differing ways of delivering services provided there is consistency in the values we share.

Diversity is inclusion. It stresses equal opportunity and recognizes and respects the multitude of differences that employees bring to the workplace as well as acknowledging the changing "face" of the community we serve. The full cooperation and affirmation of diversity by all state employees, including management, is expected.
